WHAT IS CUB SCOUTING?

Cub Scouting is a year-round family program designed for boys who are in the first grade through fifth grade (or 7, 8, 9, and 10 years of age). Parents, leaders, and organizations work together with the scouts to learn new skills and to develop good character, citizenship, and initiative.

A LIFELONG PATH OF INITIATIVE, ACHIEVEMENT, and FUN!

From former President's Gerald Ford and Bill Clinton to business tycoon Bill Gates and actor Harrison Ford, scouts have fostered a foundation of initiative and achievement for millions of boys since 1912.
